Stopping the expansion of Navodaya Vidyalayas

950. SHRI SURENDRA SINGH THAKUR: Will the PRIME MINISTER be pleased to state:

(a) whether Government are considering to stop the expansion programme of Navodaya Vidyalayas as envisaged earlier;

(b) if so, what are the reasons therefor;

(c) whether the minimum target of expansion/establishment of Navodaya Vidyalayas, as planned earlier would be achieved;

(d) if so, what are the details thereof; and

(e) if the answer to part (c) above be in the negative, in what manner Government would benefit the rural masses as to prepare them to compete with public schools?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN DEPARTMENT OF EDUCATION IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (PROF. M. G. K. MENON): (a) to (e) Government have decided to review the Navodaya Vidyalayas Scheme and not to open any more schools pending this action.

Warning against the use of Coloured Dyes and Gulal during Holi Celebrations

951. SHRI SYED SIBTEY RAZI: Will the PRIME MINISTER be pleased to state:

(a) whether the Central Pollution Control Board had warned the people against use of coloured dyes and 'gulal' during Holi celebrations;

(b) whether the warning was based on toxic effect of such dyes on micro-organisms;

(c) whether Government propose to ban the use of such dyes in the larger interests of people to enable them to live healthier life; and

(d) if so, what are the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF PROGRAMME IMPLEMENTATION (SHRIMATI MANEKA GANDHI): (a) Yes, Sir.

(b) The warning was aimed at cautioning the people about the possible harmful effects of water colours and dry colours on human beings and problems created by the presence of colour dyes in sewage or in case of their excessive discharge even in fresh water bodies.

(c) and (d) Government propose to continue and intensify public education and awareness campaign to curtail common use of colours and/or their discharge in sewage system. Standards have been laid down for effluents of 31 specific industries including presence of acids colour and harmful/ toxic substances. Besides, the Government have already made the Hazardous Wastes (Management and Handling) Rules, 1989, under the Environment (Protection) Act, 1986 in which handling and disposal of wastes from dye and dye intermediates containing inorganic and organic chemical compounds have been covered. In this so far, all dye and dye intermediates containing benzidine and its derivatives have been prohibited for 'handling'.
